

ANNUAL REPORT
July 1, 2022 to March 31, 2023

Words of thankfulness

Messages from the management and the spokespersons

Message from the Executive Director and the President of the BD

FONDATION CHARLES-BRUNEAU

Dear friends of the Fondation Charles-Bruneau,

The year 2022-2023 was marked by an exceptional mobilization on your part. With your support, **the Fondation raised an unprecedented sum of \$11 million**, which is all the more remarkable considering that the fiscal year was shortened to nine months.* We are extremely proud to present the achievements that paved the way for this exceptional result.

Thanks to your unwavering commitment, innovative projects continue to be deployed at the four Québec-based Charles-Bruneau care centres and units: liquid biopsies to treat resistant leukemia in children, genomic profiling to offer more targeted and effective personalized treatment, and many other innovations.

These advances, the fruit of dedicated and collaborative work by researchers from the four corners of the province, open promising new avenues **for improved outcomes and care.**

Your commitment, as a partner, donor or volunteer, is the cornerstone of our success. Please accept our sincere thanks for placing the health of children with cancer front and centre in your actions and concerns.

A warm word of thanks also goes out to our permanent team and our board of directors for their tireless passion, dedication and involvement. You make a real difference.

Together, we continue to advance toward a future in which each child can live without the threat of cancer. Your invaluable support is essential to making this vision a reality.

We thank you from the bottom of our hearts,

ESQ. RICHARD LARAMÉE
President of the Board of Directors
Partner/Director President of the
Board, DS Avocats Canada

RÉBECCA DUMONT
Executive Director
Fondation Charles-Bruneau

*This year, the Fondation Charles-Bruneau changed its fiscal year-end date. Exceptionally, therefore, the 2023 fiscal year covered nine months, from July 1, 2022 to March 31, 2023.

Words of thankfulness

Messages from the management and the spokespersons

Message from the spokespersons

FONDATION CHARLES-BRUNEAU

To the invaluable members of the Charles-Bruneau family,

We wish to express our deepfelt gratitude for your invaluable support throughout the course of this year, which was punctuated by events in support of a childhood without cancer. We have the great fortune of standing alongside you at each of these events, as privileged witnesses of the strength and generosity shown by a community galvanized around a common cause.

From the Tour CIBC Charles-Bruneau to the Charles-Bruneau Cup, the Circuit bleu, the Soirée gastronomique and the 24 h Tremblant, you treated us to unforgettable moments of solidarity, generosity and sharing, and we can't thank you enough.

Your contribution to these events, be it through participation, donations, volunteering or a partnership, had a significant impact on the achievement of the Fondation Charles-Bruneau's mission. You allow children to say, as did Charles, **"When I grow up, I will be cured!"**

A huge thanks also goes out to the people and the companies that invested time, resources and energy in staging activities in support of the Fondation. Your dedication is seen and recognized—you played a vital part in the exceptional results announced for the last nine months.

Together, we are advancing toward a future in which each child can grow up without fear of a cancer diagnosis. From the bottom of my heart, thank you for your support and renewed commitment.

With gratitude,

Pierre Bruneau

Financial Situation

Report as of March 3, 2023

Message from the Treasurer

FONDATION CHARLES-BRUNEAU

This year, the Fondation Charles-Bruneau changed its fiscal year-end date. Exceptionally, therefore, the 2023 period covered nine months, from July 1, 2022 to March 31, 2023.

The Fondation posted a total revenue of \$11,225,269, thereby exceeding the previous annual record in spite of the shortened fiscal year. It also distributed the sum of \$4,132,978 between the CHU Sainte-Justine, the CHU de Québec - Université Laval, the Montreal Children's Hospital, and the CHU de Sherbrooke.

The Fondation Charles-Bruneau owes this unprecedented success to the generous involvement, year after year, of its loyal donors and partners, and to the volunteers and participants at its events.

Thank you for your renewed trust!

TYLER HARDEN

Treasurer
Fondation Charles-Bruneau
